Mayfield Messenger

A message from Mr Howard

Dear parents and carers,

What an exciting week it has been at Mayfield! Our students have been involved in a rich variety of activities that reflect the vibrancy of our school community. Year 10 students took part in College taster days, giving them a valuable insight into the next stage of their educational journey. Meanwhile, our Geography students ventured out on field trips, applying their classroom learning to the real world. The week concluded with a fantastic Primary Sports Day, where pupils showcased incredible teamwork and healthy competitiveness across a range of events. It was fantastic to see our values of ambition, inclusion, and respect so clearly on display – whether through aspiring to future goals, ensuring every child felt involved and supported, or showing sportsmanship throughout the day. A huge well done to all involved!

Have a great sun-safe weekend!

Goodbye Year 11!

Our former Year 11s had their final Mayfield assembly on Friday last week along with a barbeque and shirt signing in the summer sun while catching up with friends, peers and teachers. What a time it has been for you all here at Mayfield, whether you joined us way back in Primary, or you joined through our Senior section, you joined our Mayfield journey and now no more revision, no more period 6s, no more homework - school is officially out early for you lot. We wanted to give all our Year 11s a huge congratulations. Well done for the fantastic hard work and effort that you have put into not only your exams but your entire school life. We are so incredibly proud of your achievements at Mayfield and how you've grown into the amazing young people we know today.

Wishing you all the best for the future - we're going to miss you all!

Primary Sports Day

Today was a fantastic celebration of energy, teamwork, and sporting spirit at our Primary Sports Day! The grounds came alive with a wide range of exciting activities, including shot put, sprints, long jump, football drills, and much more. From cheering teammates to determined racers, every student gave their best and had a great time. It was a day full of smiles, sunshine, and sporting success!
