## A message from Mr Howard

Dear parents and carers,

And so it is...

Secondary Dance Live Performance! This achievement is not just a testament to their incredible talent and hard work, but also to the core values that define our school community: Ambition, Inclusion, and Respect.

Throughout the preparation and performance, our dancers demonstrated Ambition in every step they took. From countless hours of practice to pushing beyond their limits, they embodied the spirit of striving for excellence, never settling for less than their best. Their passion and determination were evident from start to finish, and it was clear that their success was a result of their unwavering drive to succeed.

The team also showed the power of Inclusion. In every rehearsal, every move, and every performance, the dancers supported one another, regardless of skill level or background. Each dancer's unique contribution was celebrated, and it was this spirit of unity that allowed them to create something truly special. Their collaborative effort proved that when we come together, we achieve more.

Lastly, the dancers consistently demonstrated Respect—for each other, the team of adults that coached them (a special thanks to Miss Franklin, Miss Taylor and Miss Bishop), and the art of dance itself. They listened attentively, valued each person's input, and worked harmoniously to bring their vision to life. Respect was the foundation of their success, ensuring that every step, every gesture, and every decision was made with care and thoughtfulness.

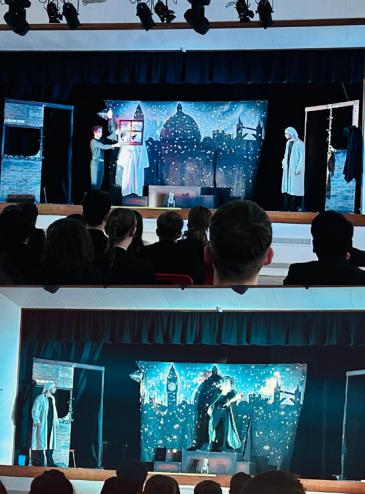

This victory is not just about a trophy; it's about the values we live by and the way they shape us into better individuals and a stronger community. Congratulations to our amazing dancers for showing us that with Ambition, Inclusion, and Respect, anything is possible! Here's to more success, growth, and teamwork in the finals in April and for the Primary Dance Live team next week!

## A Christmas Carol Performance at Trafalgar School

On Monday, our Year 11 students travelled to Trafalgar School and witnessed an amazing performance of *A Christmas Carol*, portrayed by Quantum Theatre Company. A review of the performance provided by Amelia in Year 11 "The performance included lots of recognisable quotes from the novella and captured the key themes of the text, especially Christmas spirit. I thought that the characters of Scrooge and the Ghost of Christmas Present were accurate and well-portrayed, demonstrating more important themes that will help our understanding for upcoming exams."

## Hants & IOW OPCC Youth Commission - Applications Now Open!

The Hampshire & IOW Office of The Police & Crime Commissioner's Youth Commission are recruiting for new members!

The Youth Commission is a diverse group of young people aged 14 to 25, from across Hampshire and the IOW, who represent the voice of young people on police and crime matters. They gather and represent the views of young people at a number of local and national strategic level meetings, attend events, create youth led campaigns and projects and help to shape policing in the area. Each year they hold The Big Conversation Survey and they present these recommendations to the Police and Crime Commissioner, The Constabulary and other partners, to support positive change for young people.

Here are the confirmed INSET Day dates that we currently have on our school calendar. The INSET Day dates can be found listed below;

These may be subject to change, so these will then be updated and we will inform you promptly either through our social media pages or via ClassCharts.

## Moments Matter, Attendance Counts.

Being late or having unauthorised absences will impact your child's future. Most employers and courses require maths and English GCSE as a minimum. Get them to school every day and see what they could become. Regular attendance at school is a key factor in opening up more opportunities in adult life. Good attendance helps children to make good progress in school and fulfil their potential in life. If you need any support with this, please contact our attendance team within the school.

## Well done Mikey!

Fantastic work from Mikey who, over the weekend, entered the Cubs Annual Chess and Draughts Competition. He worked very hard and came away with 4th place in his first-ever chess competition! Well done Mikey!
