Information

Thank you for your fruit donations and voluntary contribution towards the cost of snacks without your support.

Just a gentle reminder, our children play outside in all weather. Can you make sure to send your children to nursery in their coats, so they do not miss outside play? Can you clearly label your children's coats, so they do not go home with the wrong child? The children's homework looks amazing. Thank you for supporting this extra activity.

You need to apply for your children's funding after they turn 9 months old or 2 years old, you go onto the website www.beststartinlife.gov.uk. You must remember to give us your code; you also need to renew every 3 months.
