Dear Parents,

It has been another lovely week in class. Our children are settling into the class routine and beginning to build bonds with the teaching staff.

Our topic will continue with the theme is 'All About Me'

Learning Intentions linked to topic:

- Take part in activity
- Explore colour, texture and shape.

We are a nut free setting, please check the contents of your children's packed lunch and don't include anything that have or might have traces of nuts.

Reminders:

- Can you send your children into school with their coat as we go out in all weather.
- Can you name your children's, coat and lunchbox please. This will help to prevent items going home with the wrong child.

We provide snack from your kind donations of fruit or voluntary contributions towards the cost. Thank you for your support.

Library books will be going home this week; can you complete their reading diary.
