Dear Parents,

Our topic will continue with the theme Under the Sea. Our children will be learning about the mammals that live in our seas. We will try to name some of the mammals and chat how important it is to look after these creatures.

As the weather is beginning to get a bit warmer could you apply suntan lotion before your child attends then we will re-apply throughout the day.

### **Gentle Reminders**

Do not forget newsletters our on the website and check our Facebook page for updates and events.

Thank you for your donations towards the snack provision.

Just a reminder that you can always volunteer to stay and play when you have the time. It's a lovely experience and the children gain so much when parents visit their class.

### **Dates for Diary**
