

Nursery Newsletter

The topic will continue with the theme Winter. In class our children will be exploring different textures, shapes, manipulating the various media to create artwork. We will practice mark making with various implements and create Ice art with natural objects.

Learning Intentions linked to class topic:

- Ascribe meaning to the marks they make.
- Develop mathematical language when they use various shapes to create a snowman.
- Describe the texture of some natural objects.

Colour, Number and shape of the Month

We are looking at Blue, Number 5 and the shape Oval in class. Could you create a collage with your children? We can display these in class and talk about their lovely creations supporting speech and language skills.

Thank you for your support with the snack provision by donations of fruit or a voluntary donation towards the cost.

Finally, can I ask you to check the labels of any of the items you put into your children's lunch box? We are in a nut free setting, and we have children who are allergic to nuts, so it is vital for the wellbeing of our children.

Dates for Diary

Coffee morning will be held on the 25th of January from 10am till 12 o'clock.

6th of March world book day children can dress up as their favourite character.

19th of March Inset Day school closed.

Best wishes, Little Sunbeams
