Dear Parents,

Hope you enjoyed your bank holiday weekend.

Our topic will continue with the theme Mini beasts. We will use lots of different materials to create mini beasts for the class display. We will create a mini beast garden using a selection of natural materials. The children will also be investigating our minibeast discovery sack, trying to name what's inside.

As the weather is beginning to get a bit warmer if you do not want us to use our suntan lotion on your child can you bring your own in for us to use throughout the day.

Gentle Reminders

Do not forget newsletters our on the website and check our Facebook page for updates and events.

Remember to always update your funding code every 3 months otherwise you could be charged for sessions if you do not do this.
