Our topic will continue with the theme Autumn. We will be learning how to respond to music with imagination and movement.

**Learning Intentions linked to class topic**

- Sort natural materials into groups by size and colour.
- Ascribe meaning to the marks they make.

Letter of the week in class is 'D' can you create a collage with your child with pictures of objects that begin with that letter sound. We will share these at circle time to promote speech sounds.

Just a reminder, you need to renew you funding code every 3 months.

Lastly please clearly label your children's school uniform to prevent items from going home with the wrong child.

We will hold our first parent evening on Friday the 14th of November, appointment sheets will be available from the 20th of October.
