Dear Parents

We are fast approaching the end of the academic year, so we will no longer have a class topic. Instead, we will focus on phonics, mathematics, mark making and handwriting skills and our Happy Minds Programme. The practice for our sports day event is going well; we will be starting the rehearsals for Graduation from next week.

Nursery children will be visiting the pre-school next week to meet their teachers our children are looking forward to showing them the garden and their toys. For our children who will be moving up to Mayfield in September their class teachers will be coming over to read a story at circle time each week.

Gentle Reminders

Please remember we do not allow any items in your children's lunch box which could contain nuts or traces of nuts.

With the weather beginning to get a little warmer, can you apply suntan lotion before they attend, and we will re-apply throughout the day.

Don't forget to look at the BestStartinLife.gov.uk Has lots of advice to help parents with meal planning, play, dental health, sleep, potty training and lots more.

There are also Family Hubs which can support you with any concerns you might have about your child's wellbeing. You can find the family hubs at Buckland, Paulsgrove, Somerstown, Northern Parade and Milton Park.

There is a Neurodiversity Support Group which meets every third Wednesday of the month. No booking needed. Next meeting 15th of July at 9.45-11.45am it is held at Portsmouth Central Library, Lower Ground Floor, Guildhall Walk.

Dates for Diary
