

Pre-School Newsletter

This is the last week of our Spring topic. We will be planting flowers and vegetables learning about how we take care of our plants and observing how they grow.

Learning intentions are linked to the topic:

- Show awareness of change.
- Talk about differences in the seeds they plant.

Thank you for your kind donations towards the snack provision.

As the weather is getting warmer can you please apply suntan lotion before your child comes into school, we will reapply throughout the day.

Our word has more letters added they are, It, I, A, In, And, To, Was. These words will be in the booklet we sent home on the first page.
