After the half term our topic will be Christmas. We will be learning how children from around the world celebrate this magical time.

Letter of the week in class is 'F' can you create a collage with your child with pictures of objects that begin with that letter sound. We will share these at circle time to promote speech sounds.

We are a NUT FREE setting. We have children who attend that have severe nut allergies. Please check your children's lunch box for any items that contain or may contain nuts and remove them. Any unpackaged food will be removed from the lunch box and sent home at the end of the day.

If your child is starting school in September 2026 online applications will be from Monday 3rd of November 2025 till Thursday 15th of January 2026.
