Thank you for taking part in the Easter Bonnet Parade their bonnets were beautiful.

After the half term our new topic in class will continue with Dinosaurs. We will explore textures, shapes and size by creating dinosaurs for display. We will practice mark making with a variety of implements.

#### **Learning Intentions linked to class subject**

- Developing number formation skills 0-20
- Classify and sort dinosaurs by size and eating habits
- Draw a dinosaur, describe where it lives and what it eats.

#### **Gentle Reminders**

After the half term we will start PE lessons and practice for our sports day. Could you make sure to bring in plimsolls or trainers, so the children can change for this activity.

Could you ensure that your children's uniform is **clearly labelled** to prevent these items going home with the wrong child.

If your child goes home at 12 o'clock, can you be on time to collect as teaching staff and children are having lunch, this also applies to our afternoon collection time .If your child leaves a 3pm you need to be there on time waiting to pick up otherwise you will be charged for being in the tea time provision.
