

Pre-School Newsletter

This week in class we have planted seeds in unusual ways, we will record our findings by taking pictures and using the growth charts the children created. After a month, the class can decide which seed grew bigger and why by using the data they collected.

Learning intentions are linked to the topic:

- Show awareness of change.
- Talk about differences in the seeds they plant.
- Children to use key vocabulary to describe change.
- Record the changes they have seen in the seedlings.
- Ascribe meaning to marks they make.

Our word has more letters added they are, It, I, A, In, And, To, Was. These words will be in the booklet we sent home on the first page.

Dates for Diary

Monday 26th May is half term return to school on 2nd June.

Monday 16th June –20th June wear Red to support National Diabetes week.
