Dear Parents

Thank you for attending our coffee morning on Saturday we had such a lovely morning.

Our topic in class is Spiders. The children will be looking at a variety of spiders using books from the school Library. They will be creating Spider webs using various media to create their planned effect. Sorting spiders into groups by size and colour.

Learning Intentions linked to topic.

- Where do we find Spiders
- Describe features
- Create artwork
- Develop an awareness of syllables by clapping the syllables in their name.

We are taking part in plant a tree day on Friday 16th October. It will be a non-uniform day and a donation of a £1.00. Let's see how many trees we can plant through our donations.

The letter sound in class is 'D' could you create a collage with your children with objects that begin with this letter we will share these at circle time to promote speech sounds.

Homework is being sent home linked to our topic; can you take part with your child. They are so proud to see their work on display and it generates conversation.

Lunch

We are a nut free setting, please check the contents of your children's packed lunch and don't include anything that have or might have traces of nuts.

Gentle Reminder

- Can you label your children's items of clothing to prevent uniform going home with the wrong Child.
- Thank you for your contributions towards snack provision.

Dates for Diary

23rd October (last day of term) -Fancy dress

Half term Monday 26th of October

20th November - School photographer (Christmas photos)

4th December – INSET Day
