Dear Parents

Our topic will continue with the theme Autumn. We are looking at the trees in our environment and talking about why the leaves change colour in the Autumn Season.

Learning Intentions linked to topic.

- Use Autumn colours that we see in our environment to create artwork
- Decorate pumpkins with various textures.
- Develop an awareness of syllables by clapping the syllables in their name.

We are taking part in plant a tree day on Friday the 16th of October. It will be a non-uniform day and a donation of a £1.00. Let's see how many trees we can plant through our donations.

We are sending home artwork which can be made into Christmas cards, tags wrapping paper and lots more. You order online but you must return the artwork back to us by the 19th of October for us to send to the company.

We have sent home a flyer about our children's Christmas shop at school, if taking part, the form with payment needs to be back by Friday 13th of November.

Lunch

We are a nut free setting, please check the contents of your children's packed lunch and don't include anything that has or might have traces of nuts.

Dates for Diary

23rd October (last day of term) -Fancy dress
